You can navigate to the Metalworking Equipment category by clicking on Shop by Category in the Mega Menu and choosing View all Metalworking Equipment

The screenshot shows the GovDeals website interface. At the top, there is a navigation bar with logos for Liquidity Services Brands, ALESURPLUS, GovDeals, imachinio, Liquidation.com, and bid4assets. Below this is a secondary navigation bar with links for About Us, Buy, Sell, FAQ, Contact Us, and View Canada, along with a language selector set to English and links for Sign In and Register. The main header features the GovDeals logo and a search bar labeled 'Search Assets' with an 'Advanced Search' link. Below the header is a 'Shop By Category' section with a list of categories. The 'Metalworking Equipment (41)' category is highlighted in blue. To the right of this list is a 'Surplus Metalworking Equipment' section with a grid of sub-categories: Bending & Forming (2), Cable & Wire Manufacturing (2), Cutting (3), Drilling & Boring (1), Forging (3), Foundry (2), Gear Machinery (3), Grinding (1), Heat Treatment (2), Inspection, Test & Measurement (2), Metalworking, Miscellaneous (1), Milling (2), Presses (3), Primary Metal Manufacturing (3), Sheet Metal Equipment (6), Surface Treatment (2), Tooling (1), Turning (1), and Welding (1). A red arrow points to the 'View All Metalworking Equipment' link at the bottom of the sub-category list.
